Dear friends,

Welcome to our 2024 Christmas Gift Guide from Ards Evangelical Bookshop

We greatly enjoy putting together a selection of new books and Bibles, etc. each year for your interest and this year is no exception.

On the opposite page, could we draw your attention to some of our own publications. Enjoy classic writings from the past with G. Campbell Morgan and H.A. Ironside; listen to heartwarming gospel anecdotes from a life-long preacher of the gospel; and see Christ and His finished work through the feasts in Sam Carson's very helpful study.

Notice on page 10, a new daily devotional, *Scripture Sevens*, a helpful and stimulating daily study. See also a range of new and bestselling devotionals on pages 12 & 13.

Could we also mention a reprint of *The Memoirs of Joseph Stewart*. My great-grandfather was saved under his preaching in 1905 and he seen a mighty work done in the gospel.

Finally, and of special interest, we recommend to you a new missionary autobiography, *All The Way My Saviour Leads Me*, by Betty Magennis; a reminder of the faithfulness of God in over forty-six years missionary service.

In John 17, the Lord is given six things:

Power (authority), people, a work, things, words, and glory.

Of these, the people are mentioned six times. Each of these is a reminder of what the Lord is doing for His people. v2 He gives us eternal life, v6 He manifests the Father to us, v9 He prays for us, v11 He unites us, v12 He keeps us, and v24 He takes us to be with Him and share His glory.

We would like to sincerely thank you for your custom another year. We could not serve the Lord's people as we do without your support and it is always a pleasure to serve you. We trust you will be encouraged and know the blessing and presence of the Lord another Christmas season.

Yours on behalf of the AEB team,  
Ricky McCoubrey

# Winona Lake Bible Teaching

Held annually on the picturesque shores of Winona Lake, Indiana, The Winona Lake Bible Conferences featured a “who’s who” of prominent Christian speakers. Founded in 1895, they quickly became a key destination for believers, attracting thousands of visitors annually. The meetings offered relevant biblical teaching along with intellectual enrichment.

These conferences featured prominent Bible teachers, including: Billy Sunday, R.A. Torrey, H.A. Ironsides, G. Campbell Morgan, F.B. Meyer, and J. Wilbur Chapman.

They were a focal point for the spread of fundamentalist

Christian thought, and their legacy remains significant in shaping evangelical movements in the U.S.A. and beyond.

This series of publications brings a selection of messages given at the Winona Lake conferences, featuring some of the the best teaching from these prominent servants of the Lord who were mightily used. Their biblical and Christ-centred teaching is as relevant to believers today as it was then.

*Morgan at Winona Lake* Messages by G. Campbell Morgan 1910-1913 £9.99

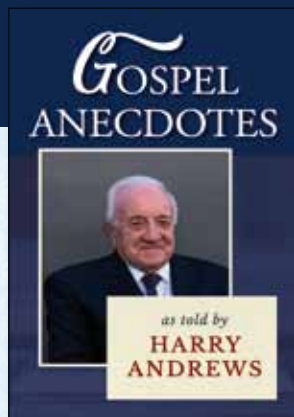

*Ironsides at Winona Lake* Messages by H.A. Ironsides 1936-1945 £7.99

## GOSPEL ANECDOTES as told by HARRY ANDREWS

Harry and Meta Andrews were in fellowship at Matchett Street Gospel Hall, Ballysillan Gospel Hall and Carrickfergus Gospel Hall where for many years they served the Lord and enjoyed Christian fellowship.

Although Harry was a full-time ‘bread-server’ with Ormo Bakery, for over seventy years he regularly preached the gospel message and the truth of the Bible. He was well-known as a ‘master story-teller’, often reinforcing his point with an apt illustration, delivered with both passion for the message and compassion for the listener.

It is hoped that this volume will bring these illustrations to a wider audience, so that attention will be drawn to the vital importance of the Gospel, that is Eternal Salvation through faith in the Lord Jesus Christ. £9.99 (Due Late November)

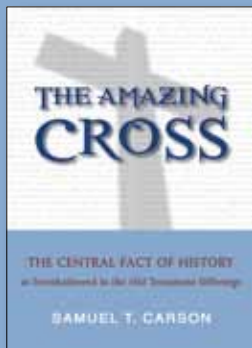

## THE AMAZING CROSS THE CENTRAL FACT OF HISTORY

as foreshadowed in the Old Testament Offerings

An easy-to-read devotional study on the death of Christ as foreshadowed in the offerings of the Old Testament. One extract reads:

“From the Garden of Eden, the sacrifice of Calvary, which is the central fact of history, was foreshadowed through object lessons of one kind or another. It was prefigured across the ages by many remarkable persons and unusual events. And then, as the reality and substance drew near, the shadows became more and more clearly defined. These various object lessons, which we may, in broad terms, call pictures or types, serve to clothe in material form the great principles and doctrines which gather around the cross of Christ.”

SAMUEL T. CARSON £9.99

## ALL THE WAY MY SAVIOUR LEADS ME

*More than forty-six years serving God in Zambia*

**BETTY MAGENNIS WITH VICTOR MAXWELL**

"Betty Magennis is a person of faith. Realising that she was a sinner, she found salvation through faith in the Lord Jesus. She lived much of her life in Central Africa, looking only to God to sustain and keep her. She ran an excellent health centre and maternity unit, providing round-the-clock care for thousands of people for more than forty-six years. She worked without a salary and was sustained by the faithfulness of her God and the care of His people. Her midwifery care was one of the highest standard,

and she saved the lives of innumerable mothers and their newborn children. Despite facing personal health challenges, she continued to serve with unwavering faith and dedication.

Betty is a person with a heart of love - I recall her telling me that she loved Dipalata and its people. She had experienced God's love shed abroad in her own heart, and reached out with that same love to everyone around her. At every opportunity, she would ensure that the local brethren would preach the Gospel to the many people who came each day to the hospital for treatment. Her efforts significantly contributed to the growth and spiritual well-being of the local Assembly.

Betty's life is a testimony to the power of faith in action. She heard her Lord's command to go and she went. This book is a powerful record of how our Lord Jesus Christ can use a person obedient to His call to bring blessing to countless numbers of people. Betty's obedience to her Lord and Saviour has left a lasting impact, and we pray that her story might challenge and motivate His people today."

This collection of more than two hundred letters from David Gooding's many years of correspondence helps to convey something of the man that he was, but its greater value is in the lasting ability of these letters to communicate the wisdom, power and comfort of the Word of God, which shaped both the man and the lives of those with whom he shared himself.

## CHANGING *us* for GLORY

*Daily Readings on God's Transformative Power*

The aim of these 366 readings is to deepen our understanding of some of God's characteristics. We see that he is the Triune God of relationships; the living and transcendent Creator; the sovereign Lord who guides our lives; the God of love and grace, loyalty and humility, wisdom and truth; the God of revival and restoration who welcomes us into His grand story; the God of revelation who wants to be known; and the God of joy who changes how we think and live. And as we see Him, he transforms us to be like Himself, from one degree of glory to another.

## NEW RELEASE

### The Epistles of James & Jude

*Bernie Payne*

The epistles of James and Jude are intensely practical and deeply searching. Their wisdom and warnings are no less necessary for Christians in the twenty-first century than they were for the believers who first received and read them. Superficially, much has changed since the first century, but the indulgence, injustice, and error that are so forefully exposed in these epistles continue to mark society and to challenge Christians who seek to live for God. This elucidates their teaching and emphasises their continuing importance for the people of God. Bernie Payne was saved at the age of 21 and received into the fellowship of the local assembly in Corner Brook, about one year later. Bernie and his wife Susan were in fellowship in Corner Brook until August 2014, when they moved to Gander, Newfoundland. He is a former

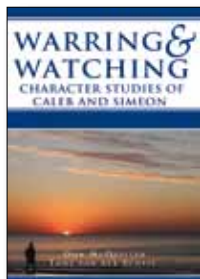

editor of Assembly Focus Magazine and has written a number of Bible commentaries and presently writes a bi-weekly devotional entitled Messages of Comfort. His written ministry can be accessed through [truthandtidings.com](http://truthandtidings.com) and [thegloriousgospel.ca](http://thegloriousgospel.ca).
